**His Excellency General The Honourable David Hurley AC DSC (Ret'd)
Governor of New South Wales**

As Patron, I am honoured to support Greystanes Disability Services on the occasion of the Greystanes Gala Dinner. This fundraising dinner will allow Greystanes to continue its program to build and equip accessible housing for people with disabilities in the Blue Mountains and Nepean regions.

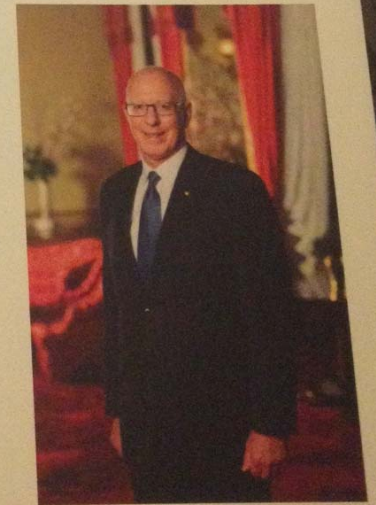

With a house currently under construction in Katoomba, Greystanes is committed to assisting people with disabilities to live independently in their local communities.

Since 1958, Greystanes has evolved and grown to provide high-quality and innovative support to people with multiple disabilities and complex health needs through person-centred, community-based services.

Through its customised and standard seating and positioning equipment enterprise, Megalong Positioning Service, Greystanes Disability Services now also serves the people of greater New South Wales. It has also linked with tertiary and educational institutions such as La Trobe University and Western Sydney Institute TAFE NSW to develop best-practice online learning resources for use by people across the nation.

On behalf of the people of New South Wales, I congratulate Greystanes Disability Services and thank you for your exceptional commitment to people with disabilities and their families.

**General The Honourable David Hurley AC DSC (Ret'd)
Governor of New South Wales**
