

We are a small group of friends and family very close to Nadia Di Michele who tragically lost her battle with mental illness in 2014, at only 23 years of age.

Our aims are to raise awareness for mental health in our local community and support **beyondblue**.

Most Australians have had some experience with anxiety, depression or a related condition, whether they've experienced it themselves or had family, friends or work colleagues go through it. beyondblue's work is aimed at achieving an Australian community that understands depression and anxiety, empowering all Australians, at any life-stage, to seek help.

With the help of Doltone House Sylvania and a range of generous local businesses, a charity event was held on Friday 12th of August. All proceeds went to *beyondblue*. We are absolutely thrilled to announce that Unite for Nadia has raised a total of \$25,449.

A wonderful night was had by all and a very big thank you to Lorraine Allanson c/- Mountain Whispers for her very generous donation of 2 night's accommodation at her luxurious properties. Without the support of so many family, friends and businesses, we simply couldn't have raised the funds that we have and most of all, helped raise awareness of all the wonderful work beyondblue do to assist our youth and help them on their life journeys.

We hope everyone had a wonderful night, as it certainly is something Nadia would have loved to! unitefornadia@gmail.com

We look forward to seeing you again next year – Unite for Nadia Team
