Celebrating Women in Business Lunch 2017

On 9 March 2017 Lorraine Allanson of Mountain Whispers attended the Women in Business Lunch hosted by Sullivan Dewing Chartered Accountants & Business Builders. The guest host and keynote speaker was Mimmo Lubrano with media personality and ABC 702 Drive time host, Chris Bath as MC

Our special guest and keynote speaker is Mimmo Lubrano, CEO of Sandhurst Fine Foods with the fabulous Chris Bath, media personality and ABC 702 drive time host our MC for the afternoon.

Behind every success is a story and like all great Italian food a discerning Italian mother!

Nothing hits the Sandhurst production line before Mimmo's Mum, Geraldine, has given it the final taste test and tick of approval. Absolutely nothing is produced in the Sandhurst factory unless it passes Geraldine's stringent standards. There will be opportunity to ask questions of Mimmo and share your own inspirational stories.

Please join us to celebrate our passions!

This will help [Kookaburra Kids](#) support more kids living in families affected by mental illness.

Kookaburra Kids

The Australian Kookaburra Kids Foundation (previously known as Camp Kookaburra) was founded in 2002 by Dianne Madden who, through personal experience, identified the lack of support for children living in a family affected by mental illness. The first camp was held with 16 kids. Today, over 1,100 kids are registered to the Kookaburra Kids program.
