

Celebrating Women in Business Lunch 2016

On 3 March 2016 Lorraine Allanson of Mountain Whispers attended the Women in Business Lunch hosted by Sullivan Dewing Chartered Accountants & Business Builders. The guest host was Layne Beachley with funds being raised going to the Australian Kookaburra Kids Foundation Inc.

The lunch was a great success with a total of \$22,611 raised going to a wonderful cause.

The Australian Kookaburra Kids Foundation (previously known as Camp Kookaburra) was founded in 2002 by Dianne Madden who, through personal experience, identified the lack of support for children living in a family affected by mental illness. The first camp was held with 16 kids. Today, over 1,100 kids are registered to the Kookaburra Kids program.
