

## Mountain Whispers of Leura Pty Ltd Commences GreenBizCheck Certification

Mountain Whispers of Leura Pty Ltd is pleased to announce that we have commenced GreenBizCheck's rigorous environmental certification program ([www.greenbizcheck.com](http://www.greenbizcheck.com)).

### About Mountain Whispers

Mountain Whispers is a boutique luxury collection of four historic Blue Mountains homes which have been restored to their former glories by owner, Lorraine Allanson. Lorraine's vision was to recreate the golden age of the Blue Mountains, providing visitors a taste of the decadent lifestyle of a bygone era.

The Mountain Whispers properties, [Varenna](#), [Leura Rose](#), [Strawberry Patch](#) and [The Gatsby](#), are AAA 4.5 star rated and have received the T-QUAL accreditation, the Australian Government's quality benchmark for the tourism industry. The portfolio also won bronze in the five-star luxury accommodation category at the NSW Tourism Awards 2012. For more information, visit [www.mountainwhispers.com.au](http://www.mountainwhispers.com.au).

Mountain Whispers of Leura Pty Ltd is now complementing its expertise in accommodation and hospitality with sustainable business practices. "We wanted to take action and show leadership in sustainability whilst reducing our environmental footprint at the same time. The GreenBizCheck program helps us in many ways," said Lorraine Allanson, Managing Director.

GreenBizCheck provides organisations with a comprehensive checklist of practical actions which reduce energy use and wastage in the workplace through a comprehensive assessment which is then audited and certified by Bureau Veritas - the world's largest certification body.

"We are delighted to welcome Mountain Whispers of Leura Pty Ltd to our program and we will assist them in improving business efficiency whilst saving resources, money and becoming more marketable," said GreenBizCheck CEO Tony Hall.

Mountain Whispers of Leura Pty Ltd hope to achieve BRONZE certification in the near future.
