

Mission Statement

Cancer Wellness Support Incorporated is a non-profit, non-denominational charitable organisation committed to helping cancer clients and their families retain their sense of control and balance through innovative, integrated and holistic therapies and education, whilst at all times giving hope for facing challenging circumstances. We treat everyone with compassion, care, confidentiality and respect.

ArtyBra & Tie

It's the major fundraising event for the Cancer Wellness Support, which helps support people living with cancer in the Blue Mountains and raises awareness of the issues they face.

the Joan

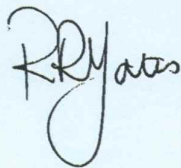

Lorraine Allanson,

Thank you

Thank you for your contribution to ArtyBra & Tie 2018 held last Saturday afternoon at The Carrington Hotel. There was a warm vibe in the room and everyone appeared to enjoy the Auction. Together we raised \$14,435.00 from the proceeds of the auction and ticket sales. This allows us to maintain the level of service delivery to our client base and support such as yours is critical for the success of our events.

On behalf of the Board, Staff and Volunteers of CWS, your continued support is very much appreciated.

Kindest Regards,
