Dear Lorraine

We wanted to say thank you for your \$250 gift voucher which enabled us to purchase a 1st place raffle prize to the value of \$1000 to stay at one of your Mountain Whispers establishments. Our "Lunch at the Shed" event held on Friday 28 May 2021 was a huge success and your support contributed to a total fundraising effort of \$23,000 for the Pink Finss Charity. This will go a long way to helping sustain the work that we do in the community for women and their families diagnosed with cancer.

One of our major sponsors was the lucky winner of the prize and they were super excited at the thought of booking in!

We were also very proud to showcase a great collaboration with Sonia and "Love Your Warrior" which is a fantastic initiative to help those going through cancer treatment. We have sent out 14 Love Your Warrior gift boxes so far with many more to go!

Whilst the day was a bit chilly the vibe in the room was very intimate and cozy, and we could certainly feel the love and support of everyone in the Hawkesbury community. It was great to see everyone connected again sharing a meal in beautiful surroundings.

Once again thank you again for your ongoing support.

Regards.
